

INTERNATIONAL JOURNAL OF BUSINESS INTELLIGENCE RESEARCH

January-March 2012, Vol. 3, No. 1

Table of Contents

SPECIAL ISSUE ON INFORMATION QUALITY FOR BUSINESS INTELLIGENCE

GUEST EDITORIAL PREFACE

- i William Yeoh, *Deakin University, Australia*
Andy Koronios, *University of South Australia, Australia*
John Talburt, *University of Arkansas at Little Rock, USA*

RESEARCH ARTICLES

- 1 **Discovering Data and Information Quality Research: Insights Gained through Latent Semantic Analysis**
Roger Blake, *University of Massachusetts Boston, USA*
G. Shankaranarayanan, *Babson College, USA*
- 17 **Towards a Data Quality Framework for Decision Support in a Multidimensional Context**
Daniel Poeppelmann, *University of Osnabrueck, Germany*
Christian Schultewolter, *University of Osnabrueck, Germany*
- 30 **Managing Data and Information Quality in Outbound Transportation Systems: A Systematic Approach**
Jack S. Cook, *Rochester Institute of Technology, USA*
M. Pamela Neely, *SUNY College at Brockport, USA*
Michael F. Ziolkowski, *SUNY College at Brockport, USA*
- 55 **A Data-Intensive Approach to Named Entity Recognition Combining Contextual and Intrinsic Indicators**
O. Isaac Osesina, *University of Arkansas at Little Rock, USA*
John R. Talburt, *University of Arkansas at Little Rock, USA*
- 72 **Optimizing the Accuracy of Entity-Based Data Integration of Multiple Data Sources Using Genetic Programming Methods**
Yinle Zhou, *University of Arkansas at Little Rock, USA*
Ali Kooshesh, *Sonoma State University, USA*
John R. Talburt, *University of Arkansas at Little Rock, USA*
- 83 **Real-Time Data Quality Monitoring System for Data Cleansing**
Cihan Varol, *Sam Houston State University, USA*
Henry Neumann, *Sam Houston State University, USA*
