

# Editorial Preface

Samuel Adu-Prah, Sam Houston State University, Huntsville, USA

Donald Albert, Sam Houston State University, Huntsville, USA

So ends ten years directing the *International Journal of Applied Geospatial Research*. For volume 10, Dr. Samuel Adu-Prah has been operating as co-editor-in-chief. Prior to that, he has contributed on multiple occasions as an author, reviewer, and promoter for IJAGR. Dr. Adu-Prah is a faculty member in the Department of Geography and Geology at Sam Houston State University in Huntsville, Texas. He is an excellent scholar with strong ties to the African Specialty Group of the American Association of Geographers, and has an ongoing relationship with Ghanaian geographers as a Carnegie Fellow. Thanks to everyone who has assisted me over these last 10 years. You have all helped make me make a dream come true.

Best regards,

*Samuel Adu-Prah*

*Donald Albert*

*Editors-in-Chief*

*IJAGR*

## CALL FOR PAPERS

The editor-in-chief of the International Journal of Applied Geospatial Research (IJAGR) is encouraging manuscript submissions for regular issues from across the physical, environmental, and human geographies. This journal offers policy analysts, geospatial practitioners, and academicians with studies exemplifying various application domains within applied geospatial research. Manuscripts can be uploaded to IGI Globe's Journal Online Submission System available from <http://www.igi-global.com/submission/submit-manuscript/>. For more information visit IJAGR's website: [www.igi-global.com/IJAGR](http://www.igi-global.com/IJAGR) or contact Donald P. Albert, editor-in-chief, International Journal of Applied Geospatial Research, Department of Geography and Geology, LDB #332, Sam Houston State University, 1900 Ave I, Huntsville, Texas 77341-2148, USA. Phone: 936-294-1453; E-mail: [geo\\_dpa@shsu.edu](mailto:geo_dpa@shsu.edu).

*Donald Patrick Albert is a professor of geography in the Department of Geography and Geology at Sam Houston State University (Texas, USA). He earned geography degrees from Salem State College (BS), Appalachian State University (MA), and the University of North Carolina at Chapel Hill (PhD).*
